

# ADOPT-A-GAMEDAY

"Giving employees an avenue to give back is important to morale and builds a collaborative and inspired team. When your employees love what they're doing, they do a better job"

- Erin Giles, Business Consultant

## What is Adopt-a-GameDay?

Every Friday afternoon during our 10 week after-school program we bring approximately 80 students together from neighboring school sites for some friendly inter-school competition. For many of the under-resourced students we serve this unique part of our SCORES program is the highlight of their week and your company can be part of the magic and truly make a difference in their lives. We will work hand-in-hand with our corporate partners to customize a successful employee engagement opportunity built around the excitement of our weekly Friday GameDay event. We can easily accommodate 10-20 employee volunteers with this event.
